PASSENGERS AND CREW OF THE LINER COBEQUID SAFE ASHORE

Four Steamers Respond after 36 Hours FARMER RESISTS to Wireless Calls of Ship Stranded on Trinity Ledge.

RESCUE IS ONE OF MOST NOTABLE IN COAST ANNALS

The Saved Number 108—Are None the Worse for Their Experience. After Facing Death for Two Days While Hull, Hammered by Waves, Breaks Up.

Yarmouth, N. S., Jan. 14.—Snatched from what seemed almost certain death the passengers and crew of the Royal Mail packet Cobequid are snug to-night in Yarmouth harbor.

The wireless appeals for assistance which she had first made 36 hours before were answered late to-day as the doomed steamer. was being racked to pieces on Trinity Rock, six miles off Port Maitland. The rescue will go down in shipping annals as one of the most notable ever accomplished on the Atlantic coast.

The constal strangers was contribution in set their small boats into the water at intelligent served of their experiences for the rail of the d they were followed soon by the to-nightand no mishap marred the triumpn in the blinding show storm we overshot starving. The children
